Kettlerites Send Easter Greetings

By TEO CUNNINGHAM
 Lomita 232-F
 Only a few more days until Easter . . . the day that means so much to so many . . . To the children it's the day that the long-eared rabbit comes hopping in for a visit with candy eggs, and gifts . . . a time for Easter egg hunts, and family reunions . . . to the adults of the Christian world it is a day of great rejoicing, for it's the anniversary of the day that Christ rose from His tomb, and the end of the Lenten season . . .
 And here is your columnist's wish for you . . . It's a special little greeting, intended to express the friendliest of wishes for your Easter happiness . . .
 Former Kettlerites June and Bernie McClaskey, who used to reside on Western Ave., are moving back to Southern California from Washington, D. C. June flew here ahead of Bernie, who is on his way now driving the car and bringing the family's personal belongings. June has been the house guest of Janice and Herschel Huffman of Huber St. for the past week and Bernie is expected soon. The McClaskeys hope to make their home in or near Torrance and their old friends . . .
 Looking forward to coming home by Easter is little five-year-old Landra Jo Britton of Flagstaff, Ariz. Landra Jo is the niece of Mildred and Carl Jelmsa of 1711 W. 234th St. and recently underwent a very delicate heart operation at Children's Hospital in Los Angeles . . . The plucky miss was a partial blue baby, but everything is fine now and she is getting along splendidly. Mildred tells us that Landra Jo's color is just the prettiest pink and white you've ever want to see. Isn't it wonderful what the modern surgeon can do?
 Trying out their new house trailer were Ted and Ione Aaruppe of Reynosa Dr. and daughter Margaret, who meandered out Twenty-Nine Palms way and into Hidden Canyon where they parked their trailer and just relaxed and enjoyed the warmth and sun . . .
 Deciding on the spur of the moment that it would be nice to go out to the desert this time of the year, Rose and Walt Schaefer of Gramercy Ave. packed the kids into the car and took off for Palm Springs . . . leaving in the small hours of the morning, they arrived just in time for church. Afterwards they drove around until they found a nice spot to build a fire and cook their breakfast. The rest of the day was spent exploring the various canyons and springs in the vicinity of Palm Springs . . . Sounds like a really wonderful and fun-packed week-end . . .
 Celebrating her fourth birthday today is Virginia (Glnny) to her friends and family Combs, daughter of Jess and Helene Combs of Western Ave. In honor of the occasion she is playing hostess to several of her little playmates at luncheon. Carrying out the Easter theme in colors and decorations, the group composed of Jerry and Sharon Pearson, Rudy and Kimmy Combs, Sharon Dodge, Beverly Ragland, Bobby and Carol Combs, Charles and Wayne Lundsford, and Gerald and Leon Tapp, will be playing games and thoroughly enjoying the ice cream and gaily-decorated cake. Happy birthday from us too, Glnny!
 A hobby that started when she was a little girl and still gives her many hours of pleasure, has recently gained recognition on a Spokane, Wash. TV station for Mrs. Mildred Jelmsa of 1711 W. 234th St. She loves to make doll clothes, and so she and a former neighbor, Mrs. Lee Cameron of Harbor City, purchased "Joy Lynn" and made her a beautiful wardrobe. The doll was then sent to Mrs. Cameron's sister, Mrs. Beulah Lay, who teaches second grade at the Whittier School in Spokane. She used Joy Lynn as a reward for work well done, and the little girls take turns taking the doll home. The doll and a dozen complete outfits were shown at the hobby show there and first aid.

Walteria Library Adding New Hours

By BETTY MITCHELL

 Here it is almost time for that bunny to come hopping down the trail again and I want to stop long enough to wish each one of you a happy Easter day. Of course, with all the young fry out of school for Easter vacation, I imagine most mothers will feel like doing nothing but sitting down and letting the rest of the world go by . . .
 Speaking of Easter Sunday, don't forget the Sunrise Service planned for Sunday at the Recreation Park. There will be a varied program of music from the three churches here in Walteria, and a short address by Rev. Andrew Duthart "Who is Responsible?" . . .
 More good news of the community was announced this week when Mrs. Margaret Dowd, librarian, told us that the Walteria library will be open on Wednesday afternoons from 12:30 to 6 in addition to the days it is already open. Patrons were asked to take advantage of the Wednesday hours, as they will be discontinued unless they are utilized. For those of you who may be new here, and for others who seem to be doubtful as to whether they are entitled to use the Walteria library, this reporter would like to tell them that all residents of Pacific Hills and Weston Hills, as well as Hollywood Riviera and Seaside Heights are welcome to use this branch. Of course, Pacific Hills and Weston Hills are actually part of Walteria anyway, but there has been misunderstanding on that in the past. At any rate, the library is on 242nd St. in the Recreation Park, so why not stop around and get acquainted?
 Mr. and Mrs. Ivan R. Ketterling and children of Neece Ave. are spending a week at Huntington Beach. Nothing like getting sunbaths early in the season . . .
 A combination fun-fest and goodbyeparty was held last weekend at the home of Mr. and Mrs. Irv Radtke, when they were host to the choir members of the Methodist Church for a barbecue. The guests more than enjoyed the delicious barbecued hamburgers, which were accompanied by French-fries, hot potato salad, and salad. The whole meal was topped off with pie and coffee. Aside from having a good time, the choir wished to give this send-off to Miss Carolyn Harline, who has been fund for summer camp.

their accompanist for several months. Miss Harline will not be with them after Easter . . .
 Mr. and Mrs. Glen Ellis and their three daughters of Newton St. journeyed to Lancaster to spend last week-end with relatives. Had a nice trip, but really saw a lot of heavy traffic . . .
 Guests at the home of Mrs. Margaret Dowd, Neece Ave., were William D. Stark and Keith Stark, both of Alhambra. They were at her home for a delicious Sunday afternoon dinner . . .
 Off on a long, long trip are Mrs. Opal Fitznighs and children of Neece Ave. They leave April 2 for, of all places, Arabia. There they will join their husband and father. Here's wishing them "bon voyage" . . .
 "Living For Me" is the subject chosen by Rev. Andrew Duthart for the early morning worship at 8:30 Easter Sunday at the First Fundamental Baptist Church of Walteria, Park and Newton Sts. At this service the junior choir will sing "He Arose." . . .
 At the regular morning worship at 11 o'clock the adult choir will sing Huston's "He Arose" under the direction of Norman Goodrich. Mr. Duthart will speak from the theme "It is Finished" . . .
 The Sunday School will present its annual Easter program at 9:30 a.m. . . .
 In the regular Sunday evening service at 7:30, Patricia Anderson will present a violin solo and the sermon will be "The Undershepherds." Rev. Duthart is also bringing the message to the sunrise service at the park . . .
 Friday evening dinner guests at the home of Mrs. Margaret Dowd were Mr. and Mrs. George Spaulding of Madison St. . . .
 Sunday guests at the William Mitchell home, Danaha St., were Mr. and Mrs. Harvey Turrentine and children, Lawrence Ziemer, James Thorne, William D. Stark, and Keith Stark . . .
 The MYF had been sponsoring a paper drive all this week and it will end Saturday. If you have any paper to contribute, the collection depot is at 24240 Los Codona, or call Frontier 5-4050. The young people will appreciate any help, since this is to bolster their fund for summer camp.
